GS LABS LLC,

Defendant.

Case No. 21-cv-00525-FJG

ORDER

On January 28, 2022, counsel for GS Labs LLC contacted the Court regarding a discovery dispute. GS Labs states that in response to its document requests, Blue KC identified thirteen internal policies and procedures but refuses to produce these documents unless GS Labs waives its right to contest the confidentiality of the documents and also withdraws five requests for production of documents and one interrogatory. The parties briefed these issues and responded to additional written questions from the Court. The Court held a teleconference with the parties on February 8, 2022. After considering the parties' arguments, Blue KC is hereby **ORDERED** to produce the thirteen policies and procedures pursuant to the Protective Order and to respond to the remaining outstanding discovery requests.
